

PROJECT

Support for participation of J. A. CLEAN spol. s r. o. at foreign trade fairs

is co-funded by the **European Union**

The main goal of the project is to promote the company's overall product offering in order to strengthen its position in foreign markets and facilitate entry into these markets. As part of the project, the company will focus on markets in the EU. The benefit will be an increase in the company's international prestige and therefore an increase in export potential. The quantitative impacts will include an increase in exports, an increase in sales and the creation of new jobs.
